ABOUT THE TOURNAMENT:

PLAYING TO HELP CHILDREN THRIVE

Wisconsin Youth Company is proud to be hosting its inaugural Wisconsin Paddle Battle: Pickleball Tournament on May 17 & 18 at Bakken Park.

The Wisconsin Paddle Battle benefits youth served by Wisconsin Youth Company in Dane and Waukesha counties. Through before & after school programs, 4K Wrap, summer camps, and operating Elver Park and Theresa Terrace Neighborhood Centers on Madison's southwest side, Wisconsin Youth Company provides opportunities for children to be their best selves.

This event is for pickleball novices and longtime players alike! Different brackets will be hosted for various skill levels, including a "just for fun" bracket.

Participants receive goody bags with snacks, a water bottle, and other items. Wisconsin Paddle Battle t-shirts will be available for purchase as a registration add-on.

Spectators and participants have the opportunity to enter to win raffle baskets, and purchase food from local food carts. Winners of each bracket receive medals.
